## • FROM BERLIN TO LA, FEBRUARY FRIDAY 5<sup>TH</sup> & SATURDAY 6<sup>TH</sup> 2016 •

Berlin, Germany and Los Angeles, California are sister cities; in the past few years, the manpower and cultural flows between them have grown beyond expectations, with LA becoming a cultural hype capital in the US the same way that Berlin has in Europe.

*From Berlin to LA* is a two-day event taking place in several LA venues on February 5th and 6th; the project is initiated by Your Mom's Agency in Berlin in partnership with the Goethe-Institut-LA, Raumfeld and Bold LA, and will showcase the growing bond between electronic musicians in Berlin and LA - a bond that goes beyond touring on both sides as musicians exchange scene and tech intel, and absorb each other's culture.

*From Berlin to LA* addresses electronic music enthusiasts of different horizons and ages thanks to panels and workshops about DJing or digital production, projections, live and DJ sets with a new tech twist or an old-school flair showcasing Berlin or Berlin-influenced electronic music ranging from electronica new beats, to house, techno and experimental.

*From Berlin to LA* is initiated by **Your Mom's Agency** from Berlin, with the support of the **Goethe-Institut**, **Bold LA** and **Raumfeld**, as well as **shesaid.so**, **Grimy**, **Native Instruments**, **XLR8R**, **FoF**, **Barkin Kitchen**, **Discogs** and **Amoeba**.
