

EXP__ EXPberlin EXPdetroit EXPlosangeles: let's go against EXPeCtations again!

Following the success of the first round of EXP__, **BULK, dublab,** and **Your Mom's Agency,** with the support of **Wunderbar Together,** launch the second edition of the German-American experimental music exchange and competition, this time inviting artists from Berlin, Detroit, and Los Angeles to network and showcase their experimental talents in all music genres and music videos as well.

The name EXP__ stands for EXPerimental and EXPonential. It means artists and technologists are invited to EXPeriment and let their creativity EXPlode freely. The EXPerimentation level combined with the potential collabs with other EXPmembers is EXPonential, creation opportunities are unleashed without fear of harsh criticism, and with the incentive of cash and music tech prizes awarded to the most unique pieces by a diverse jury.

EXP__ strives to offer a positive break and to connect talents of all means, from pro studios to the DIY scene. We look to foster artistic AV experimentations thanks to active group moderation, matchmaking, micro-grants, and workshops. Join www.facebook.com/groups/EXPEXP now to discover new music and new talents, share your pieces, and maybe meet your future collaborators!
